SUMMARY

Consistently excelled as the top-scoring student throughout the schooling years while actively participating in diverse co-curricular activities, including quizzes, debates, and various school events. Honored as a school-level medalist in the Science Olympiad, showcasing a holistic skill set beyond academics. Embraces a growth mindset and displays a hunger for continual learning, demonstrated by maintaining a commendable academic record.

PROJECT

Landing Page

github.com/Nandani1919/CODSOFT/tree/main/Landing%20Page

- Simple, elegant landing page built using HTML, CSS, and the AOS (Animate On Scroll) library.
- Designed to be visually appealing and responsive, ensuring a great user experience across different devices.

Portfolio

github.com/Nandani1919/CODSOFT/tree/main/Portfolio

- Personal portfolio website built using HTML and CSS.
- The portfolio includes various sections that highlight my skills, experience, and projects.
- Provide potential employers or clients with a comprehensive overview of my professional background and abilities.
